SECRETARY'S REPORT

The second meeting of the Societ's 15th season was held on Tuesday, October 4th in the Society's regular location. In reference to the Society's new membership drive I am pleased to report that 21 Hams were present, 12 of these are new to the club. I might add that I received a call from George DeCoen, Wellesley CD Director who gave his full support to our membership drive.

The featured speaker for the evening was Mr. John Szretter, K1NAY, Mass. MARS DIRECTOR, AIR FORCE. Mr. Szretter and his Assistant, Bob Martell, K1FWA described in detail the Air Force MARS program. Many questions followed.

Dick Crooker, Marshall Cannell, and Dick Knorley let a discussion about the current Ham radio plate situation. Jack and Pam Rathmell indicated interest in giving a lecture on some phase of radio theory.

Refreshments were served after the formal meeting was adjourned.

respectfully submitted,

Walt. Lenk K1YTY
Secretary.
